We envision a world where society regularly looks past the differences they see to the person within.

Created over 10 years ago with the idea to bring people together, regardless of their differences to be entertained. *More Than You See* is a fundraising event filled with local food vendors, live music, and both silent and live auction opportunities.

Proceeds from *More Than You See* support persons in gaining greater independence at home, at work and out in the community.

PROUDLY PRESENTED BY:
